

CUBS! CUBS! CUBS!

Well it looks like there is a ~~good~~ GREAT possibility that we will be starting our Cub Level of play for the 2012 Season. Interest is pretty surprising JBO wide! Right now we are at the stage 1 of planning, answering our own questions and answering your questions too. So here we go.

- 1) Area Heads ~ Are your associations interested? If so, what numbers do you think you will have. Nothing exact, just a ballpark
  - a. Questions/opinions/concerns to the CCJBA Board
    - i. Fees
    - ii. Fields
    - iii. Time and days
  - b. Anything else?
    - i. Waivers
    - ii. County Games
    - iii. State Games - which JBO said they will hold a State Playoff
- 2) Senior Level coaches (Area Heads, please forward on) - Are their coaches interested in coaching this level? Questions/opinions/concerns are needed
- 3) High School Coaches (Area Heads, please forward on) - Questions/concerns/opinions for the Board?

Please send your responses to my email: [Mistygendhar@gmail.com](mailto:Mistygendhar@gmail.com), I need to get everything organized for our next board meeting in September. Knowing that everyone is busy with the last leg of baseball, you can submit everything at once or emails as you think of them to me from now until August 1<sup>st</sup>. We may schedule a meeting in August with Area Heads and High School Coaches to go over everything.

Thanks,  
Misty Gendhar
